## Coding/Interim Management/Outsourcing

### I. Coding: On-site, Off-site or On-line

The **HSI Coding Team** is comprised of experienced, credentialed (RHIA/RHIT, and CCS/CCS-P/CPC) coders. Our team utilizes the most current and accurate diagnostic and procedural coding methods in order for you to receive the optimum reimbursement to which you are legally entitled. We are available to you on a permanent, interim, or as needed basis.

### II. Coding/Reimbursement Support Services (HELP DESK)

On-going support by Certified Coding Specialists 24 hours a day, 7 days a week via fax, phone or e-mail.

### III. Interim Management

The foremost focus of Interim Management is to provide HIM expertise, consultation and guidance for HIM staff in the absence of a director, manager or coding manager. Our Interim Management team supports the accomplishment of departmental goals and fulfills expectations of the management position as outlined by hospital administration. HSI recognizes the importance of HIM operations and the impact they can have on both patient care and the hospital's bottom line.

Our experience has shown that managerial assistance on a temporary basis can be beneficial during systems conversion, major process and regulatory changes, operations or coding manager vacancies. Our team will assist in keeping your department running smoothly through the use of strong interpersonal skills and a morale-building approach to work.

### IV. Outsourcing

HSI offers expertise in all aspects of health information management to help your organization achieve optimal performance. **HSI Advisors** is comprised of managers, consultants and coders experienced in all inpatient and outpatient settings. We may be called upon to provide interim or permanent staffing at your facility for the following positions:

- Director of HIM
- Manager of HIM
- Supervisor of HIM
- Coding Manager
- Coding Consultants
